Disclosure Statement with 37 C.F.R. 1.97

Pursuant to 37 CFR 1.56, the documents (copies enclosed) listed on form PTO-1449, submitted herewith, are hereby disclosed. Under rule 37 C.F.R. 1.98(a), the applicants submit that no specific comments are necessary for any of the cited English language publications. These references were cited in a search recently conducted by the International Search Authority as part of a PCT patent application which has been filed by applicants as a foreign counterpart to their United States patent application (from which priority has been claimed). A copy of each reference (if not previously submitted in an IDS) as well as the International search report itself is enclosed.

Respectfully submitted,
